UNVEIL YOUR INNER ARTIST!

The Paint station is an engaging and creative interactive experience that lets guests express their creativity. Using a brush-like device, participants can interact with their environment in an innovative and fun way, painting and creating vibrant visuals as they explore the attraction.

POWERED BY ALTERFACE'S CUTTING-EDGE INTERACTIVE SYSTEM.

Ergonomic brush-like device

EXPERIENCE & TARGET

Perfect for all ages, Paint invites users to engage in collaborative and exploratory imaginative gameplay.

VERSATILE APPLICATIONS

The Paint station is ideal for a wide range of environments. It can bring intellectual properties (IPs) to life, offer an educational and engaging experience for museums, or provide endless fun for Family Entertainment Centers (FECs) and Theme Parks, encouraging creativity and social interaction among guests of all ages.
